From the Vice - Chancellor's Desk

Jawaharlal Nehru Technological University, Hyderabad (JNTUH) is one of the reputed technological universities in India and abroad. It has added several achievements and accolades to its 45 years of existence and for its excellence in both curricular and co-curricular activities. It is the driving force for the students across the globe in teaching and exposure to industry-oriented programs, Memoranda of Understanding with reputed foreign universities, and need based Technical, Science, Pharmacy and Management courses.

The University is acclaimed for its outstanding contribution to teaching, research and service which made JNTUH one of the most admirable centers of learning. JNTUH attempts to kindle the sense of national and international students with responsibility, honesty, conscience, justice and above all commitment to human values.

For all its achievements, in the fields of Technology, Science, Pharmacy and Management, JNTUH has been the recipient of 'A' Grade from the National Assessment and Accreditation Council (NACC) of India.

JNTUH has established the Directorate of University Foreign Relations (DUFR) with an objective of becoming global partner in technologically driven education and emerge as a symbol of openness of thoughts and cultural pluralism with the necessary information about various courses and programs of study and opportunities in the University. The DUFR coordinates as a single window system with the other academic and administrative units of the University to help the international students in seeking admissions and accommodation and endeavor to touch the lives of every student by inculcating prudence, efficiency, creativity and compassion to work for the betterment of the society and readiness for job opportunities.

I cordially welcome the international students and wish them a happy and meaningful stay at JNTUH.

Prof. Katta Narasimha Reddy
Vice-Chancellor, JNTUH

From the Rector's Desk

The **Jawaharlal Nehru Technological University Hyderabad (JNTUH)**, Telangana State, India situated in the heart of the city at Kukatpally, Hyderabad has an environment of academic excellence with 'A' Grade accredited by NAAC (National Assessment and Accreditation Council), aspires to be recognized as India's most prestigious University. It also secured 42nd Position in NIRF (National Institutional Ranking Framework) Ranking for the year 2018, Ministry of Human Resource Development, Government of India. It brings the spark of knowledge to young minds and instilling a new confidence and vigour to face the world. Students from around the globe are attracted to University for its commitment to teaching and excellence and outputs of industry partnerships, our international linkages with foreign universities and offering of tailor made courses to meet the growing industrial needs.

This University offers an extensive variety of prospects for higher education in the fields of Science, Engineering, Technology, Pharmacy and Management. The professional orientation of our University, numerous and varied partnership, our innovative, inventive and creative methods of teaching, rapidly increasing research profile make the University one of the leaders in the world in attracting the international students.

JNTUH established the Directorate of University Foreign Relations (DUFR) to extend its services to scholar and students of the entire world. A large number of scholars are preferring to avail themselves of the excellent services offered by the University. Over the years, the presence of international students in JNTUH has been very visible and vibrant. We welcome the entire international student community as a part of one family to this abode of knowledge and wisdom.

From the Registrar's Desk

Jawaharlal Nehru Technological University Hyderabad is a leading university in India, recognized as a centre of academic and scientific excellence regionally, nationally and internationally in the field of Engineering, Technology, Science, Pharmacy and Management.

JNTUH believes in the value of internationalization and power of globalization. As a global university, JNTUH is the most fortified bridge towards a successful career. Then University has initiated to welcome the foreign students for lively cosmopolitan and multicultural campus life. Currently more than 400 students from various countries are on rolls pursuing Under-Graduate, Post-Graduate and Doctoral programmes. Over the years, the presence of international students in JNTUH has been vibrant.

JNTUH cordially welcomes all the international students into its fold of this magnificent opportunity and make a symbol of their successful careers.

Dr. M. Manzoor Hussain
Registrar, JNTUH

Director, University Foreign Relations

Directorate of University Foreign Relations (DUFR) was established in 2008 and has grown along with the JNT University Hyderabad, the place wherein the knowledge of today is learnt for the design of tomorrow. Our faculty members have excellent teaching skills and motivation and are responsible for the delivery of practical education based on their own research and experience. In addition to basic skills, they provide guidance in systematic learning process that enables to make steady progress in acquiring knowledge in relevant fields.

Working in society means to become a professional who is able to obtain a job that bring satisfaction as well as remuneration through the acquisition of special skills and to go one step further than simply being an employee of a company or organization. During your study and campus life here we hope that you will acquire sound skills and develop intellectually in ways that will enable you to explore flexible ideas and solve issues necessary for the growth of a professional person.

The graduates/postgraduates/doctorates of JNT University Hyderabad are playing active role in society as highly trained professionals and researchers with a global vision. International students find the JNTUH campus to be a safe, friendly and convenient learning environment in which to meet lifelong friends and invigorating academic challenges. Your academic dreams and goals remain our goals for you, too!

The doors of our JNT University Hyderabad remain wide open and welcoming students from around the world.

Jawaharlal Nehru Technological University Hyderabad

A Symbol of all-time learning

Jawaharlal Nehru Technological University was established on 2nd October 1972, by an act of State Legislature. In the last forty five years, JNTUH has produced highly professional and competitive engineers by infusing greater quality and content into the curriculum and educating the students with appropriate skills suitable for a rapidly changing industrial scenario. Jawaharlal Nehru Technological University Hyderabad (JNTUH) is one of the rapidly developing universities in India in the fields of Engineering, Technology, Science, Pharmacy and Management. Over the years, the University has crossed several milestones in pursuit of academic excellence and has emerged as pacesetter in the field of technical education. Today, it is a multi-faculty, semi-residential and affiliating university that reflects the national agenda for higher learning. Jawaharlal Nehru Technological University Hyderabad is a multi campus, global Indian University and is passionate about providing the opportunity for all to embark on a learning journey. Students from across the world are provided quality learning opportunities with personalized support, delivered by enthusiastic staff, with advanced infrastructure and laboratory facilities. Its reputation for academic excellence attracts students across the Globe. JNTUH has signed a number of Memoranda of Understanding with a number of National and International organizations and Universities. Jawaharlal Nehru Technological University, supported by the Government, offers affordable career-oriented technological education. The University delivers its services to international students through its Directorate of University Foreign Relations situated in the main campus at Hyderabad. JNTUH is preparing itself to provide the best possible facilities to cater the needs of international students from various countries. Directorate of University Foreign Relations (DUFR)

A Single Window Facility

Realizing the importance of catering to the needs of foreign students, the University, in September 2008, established Directorate of University Foreign Relations (DUFR). The DUFR is located in the heart of Jawaharlal Nehru Technological University Hyderabad campus of Kukatpally, and is headed by a Director. The Director, DUFR is in constant contact with the international institutions / organizations such as the Embassies/ Consulates of India in foreign countries and helps in updating the required information with regard to the curricula in vogue and the nature of programmes pursued at the University for the benefit of the prospective enrolment of foreign students. The kind and quality of service extended by the UFR in this sphere has been in good demand and appreciation. The foreign students can contact the Director, Assistant Registrar and the staff at UFR for any help on academic, personal and health matters at any time during their period of stay. The UFR assists in fostering relations between universities, both Indian and foreign, and helps in exchange programmes involving staff, scholars and students.

DUFR of JNTUH assists the International Students in acquiring information about the various courses offered, fees charged etc. It arranges for their admissions and looks after their welfare. The JNTUH attracts the highest number of International Students among the Indian Universities. The fact that the cost of living in Hyderabad city is not high and indeed it is much lower and easily manageable adds to the list of reasons for studying in JNTUH. At present the University has number of foreign national students from various countries (Iran, Iraq, Sudan, Yemen, USA, Palestinian, Djibouti, Nepal, China, Somalia, Bangladesh, Nigeria, Syria, Libya, Ethiopia, Australia, Afghanistan, Saudi Arabia, Algeria, Eritrea, Ivory Coast, Oman, Canada, Bhutan, Maldives, Newzealand, Thailand, Mauritius, Zimbabwe, Tanzania, Guyana, Ghana) pursuing B.Tech., B.Tech. (IDP), M.Tech., M.Sc., MBA, MCA, M.Phil. and Ph.D. programs in various constituent academic units of JNTUH.

Administrative Units

Directorate of Research and Development (DRD)

The R&D Cell was started in September 2006 to give fillip to Industrial consultancy and sponsored research plus performing the important function of monitoring the quality of M.Phil. / MS by research/ Ph.D. programs. The University offers research programs in Engineering, Technology, Science and Humanities in Full-time and Part-time mode. Full-Time research scholars are selected after due paper advertisement inviting process. Such research (Indian) scholars will be paid stipend for a maximum of three years; part-time Research (Indian) scholars have a similar process except that they should be gainfully employed for a period of one year after their post graduation. The research scholars should demonstrate satisfactory progress periodically and pay the annual tuition fees to keep their registration alive. The research scholar intake is increasing dramatically in JNTUH as there is a huge demand for doctoral degree holders.

The Objectives of the DRD

- To promote research activities in JNTUH and its affiliated colleges through appropriate programs.
- Institutions of Research fellowships for facilitating the JNTUH faculty and students to carry out advanced research through guidance.
- To formulate technology Incubators to act as think tanks in few thrust areas in engineering.
- To be significant node in intellectual property management (IPM).
- To be a meta data centre and create a state of art research and development centre for facilitating interaction amongst the students, faculty and industry.
- To publish a journal with peer reviewed papers and a newsletter to disseminate research output
- To take up programs of community development through education to redefine and redraw the technologies through education under the auspices of JNTUH forum for science and society.

 - b) Any vacant seats out of 1/3rd reserved for each category shall be open for admission to other categories.
 - c) Under no circumstances a seat remains unfilled shall be allowed to anyone other than the said categories.

Note 1: Admission is based on the scores obtained in any of the tests namely IELTS/TOEFL/GMAT/JNTUH-ELT/SAT examination in addition to the existing rules of the JNTUH.

Note 2: If the applicant does not have any qualified exam mentioned above for UG admission, the applicant must attend English Language Course conducted by DUFR, JNTUH to satisfy the rules of admission. The course duration is two months and fee is USD \$ 200 which is additional fee to be paid to get Certificate.

Note 3: The maximum period of course completion will be double the period of course duration. All the candidates should pay all respective fees till the period of course completion.

Note 4: applications without application fee are not accepted.

Note 5: The candidates who are issued "Call Letter" must send confirmation letter along with Registration fee of USD\$ 200 to attend the final admission process. The candidates without call Letter and Registration fee will not be allowed to attend the final admission process.

II. Research Programmes (M.Phil. / Ph.D.)

The Jawaharlal Nehru Technological University shall confer the Degree of Master of Philosophy in the field of Sciences and "Doctor of Philosophy" (Ph.D.) in Faculties of Sciences, Management, Technology and Pharmacy. The award of Ph.D. Degree is in accordance with the provisions and guidelines laid down herein.

Admissions to Ph.D. programs are made during any time of the year. The following guidelines are followed for the admission of foreign students into Ph. D. program:

- As and when the applications are received at DUFR, they will be processed for admission and the 'Call Letters' will be issued to the students.
- The foreign students shall approach the Ministry of Human Resource Development, Government of India for obtaining the 'No Objection Certificate':
- Without the NOC from MHRD, no foreign student is eligible to apply for and get the required 'Research Visa' from the respective Embassy/Consulate of India, which is mandatory for the university in order to admit the student into Ph.D. program.
- The student should report at DUFR, JNTUH with a valid 'Research Visa'. The admission process includes verification of Original Certificates and payment of fee. After completion of admission process, a "Firm letter of admission" will be issued. The same will be intimated to the college Principal/Director.
- The foreign student shall report to the Principal/Director of the institute with the letter of admission and join the Ph.D. Program.
- The Principal/Director shall admit the scholar and initiate the process of identifying the research guide/supervisor.
- Joining Report of the foreign scholar shall be intimated to the Director, DUFR.
- The date of reporting of the foreign student to the Principal/Director shall be the date of joining into the program for all purposes.
- The annual tuition fee payable is accounted from the above date of joining
- The foreign scholar shall finalize the topic of research in consultation with the research supervisor and communicate the synopsis of the project to be undertaken to the Principal/Director.
- The Principal/Director shall finalize the topic of research and the supervisor and issue orders marking a copy to the Director, Directorate of University Foreign Relations (DUFR).

The candidates are requested to note that the duration of the course, the Pre-Ph.D. Examination, the syllabus, seminars, thesis submission procedure and evaluation are the same as specified in the "Ph.D. Regulations" of Jawaharlal Nehru Technological University Hyderabad.

2. **Financial Aid/Assistance:** The University doesn't have any provision for scholarships to International Students. However, the Government of India grants some scholarships under various schemes and students are advised to contact the nearest Indian Embassy for necessary information about them. They may also peruse the UNESCO Handbook for Study Abroad that lists some scholarships and the addresses to which applications should be mailed. They can also apply to the 'Director, Indian Council for Cultural Relations (ISD Section), I.P Estate, New Delhi- 110, INDIA' for possible award of scholarship.
3. **Part-time Employment:** The University rules do not permit any international student to take up any job part-time or full-time, while being on rolls as a regular student. Detained students, however, can take up some part-time job to sustain their stay with the concurrent permission from the University and the Police Commissioner. For continuing in the job, the student is not supposed to continue studies.
4. **Indian Customs:** Indian customs and practices are different from other countries in many respects and international students are expected to respect them.
5. **Examinations and Holidays:** The semester examinations are held twice a year, for the odd-semester in November/December and for the even-semesters in March/April. Students have first-term holidays in October/November and summer vacations from May.

BUSINESS RULES

FOR ADMISSION UNDER FN/PIO/CIWG CATEGORIES

A. GENERAL

1. Directorate of University Foreign Relations (DUFR), Jawaharlal Nehru Technological University Hyderabad (JNTUH) offers admissions for 15% supernumerary quota in several academic programs for which admission is on the basis of 'Merit of Marks' and 'Order of Choices'.

The admissions are opened to the categories of Foreign Nationals (FN), Persons of Indian Origin (PIO) and Children of Indian Workers in Gulf (CIWG). The academic programs, along with the category-wise intake capacity, are announced in International Students Prospects, <http://www.jntuhdufr.com/>.

2. A candidate chooses and applies to a series of academic programs in a certain order of preference.

In the context of seat allocation, "academic program" refers to the combination of academic program and Institute. For example, 4-year B.Tech. in Computer Science and Engineering at JNTUH CEH is referred to as an "academic program". Another example of an academic program is 4-year B.Tech. in Mechanical Engineering at JNTUH CES.

A seat to the highest possible choice of academic program is allocated to the candidate considering the following factors:

- i. The category (FN, PIO, CIWG) of the candidate.
- ii. The position of the candidate in merit list.
- iii. The order of choices of academic programs by the candidate.
- iv. The availability of seats indifferent seat categories for which the candidate is eligible for.
- v. Other business rules as mentioned in this document and International Student Prospectus.

B. ENTITIES

No agency other than DUFR, JNTUH is responsible for seat allocation. Candidates seeking information / assistance from any agency / agent other than DUFR, JNTUH shall be doing so at their own risk and cost. There is only ONE official DUFR website viz., <http://www.jntuhdufr.com/>.

C. CANDIDATES WHO CAN PARTICIPATE IN SEAT ALLOCATION

Each and every candidate who satisfies eligibility criteria of FN, PIO and CIWG for 15% supernumerary quota of actual sanctioned strength. DUFR allocates seats as per the seat matrix data provided by the participating Institutes. These Institutes provide the seat matrix data taking into consideration the policies applicable to them /decided by them. DUFR is NOT responsible for the seat matrix data.

If a candidate's parent of CIWG category could not produce Labor Card issued by Ministry of Labor for Blue Collar Workers or Group C posts (such as electrician, fitter, vehicle mechanic, machinist, washerman, cook, waiter mess, masalchi, rubber plastic moulder, lower division clerk, carpenter, welder, plumber, turner, workers in building constructions, workers in oil refinery, etc.) in Gulf countries, that candidate may be treated as a special NRI under CIWG category. In such cases, the fee structure is same as that of other categories. Otherwise, the terms and conditions of CIWG are applicable for a candidate seeking admission under CIWG category and prescribed by the norms of JNTUH.

D. SEAT ALLOTMENT AND ITS CONFIRMATION

1. The candidate should report at DUFR, JNTUH with necessary documents and fees for final admission process.
2. The candidate will be allotted a seat as per '**Merit of Marks**' and '**Order of Choices**'.
The marks scored in the following four subjects will be considered for calculating the 'Merit of Marks': (1) Mathematics, (2) Physics, (3) Chemistry. If the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 300. The percentage of marks will be calculated to the accuracy of two decimals. For instance, if the candidate secures 84/100 in Mathematics, 73/100 in Physics and 65/100 in Chemistry, his/her percentage of marks will be 74.00%.
If a Board awards only letter grades or points (GPA) without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of final admission process to allocate seat. In case such a certificate is not provided, the decision taken by the DUFR, JNTUH will be final to convert Letter Grade or GPA to % of marks.
You must order your choices of academic program in the DECREASING order of preferences, so called 'Order of Choices'. That is, your most preferred one should be the first. The computer program scans from first choice to last choice and allocates a seat if available.
3. If the candidate satisfies with the seat allotment to him/her, he/she has to obtain confirmation letter from Director, DUFR, JNTUH after signing the undertakings. There upon, he/she has to pay **Development Fee and Tuition Fee**.
4. Failure to pay the Development Fee and Tuition Fee, the candidate has to forgo the confirmed seat.
5. Failure to attend the final admission process will be considered as if the candidate has rejected the offer. Seat will be cancelled if, at any time, any of the documents / certificates is found to be invalid / fraudulent and/or the candidate does not meet all the eligibility norms.

E. SPOT ROUND FOR VACANT SEATS

1. Any leftover seats in all categories will be pooled to a common category and the seat will be allotted as per '**Merit of Marks**' on the final day of admission process.
2. Only the candidates, who have paid Registration Fee for various categories on respective dates and not allotted a seat, will be considered for spot round.
3. No new candidates will be permitted to register for spot round.

F. REPORTING CENTER FOR DOCUMENT VERIFICATION AND FINAL ADMISSION PROCESS

How to obtain a No Objection Certificate for research programs

Every foreign student intending to obtain admission into research programs such as M.Phil. and Ph.D. must obtain a "No Objection Certificate" (NOC) (No need of NOC for UG and PG courses) from the Ministry of Human Resource Development (MHRD), Government of India. One can apply for an NOC from MHRD, Government of India while applying to the University by sending a copy of the filled-in 'Application Form for Admission Eligibility' with the required enclosures. Otherwise they can wait till they get their 'Provisional Admission Letter' and then only apply to the MHRD, Government of India with a copy of the 'Provisional Admission Letter'. Without the NOC from MHRD, they cannot procure 'Research Visa' and consequently, the University cannot finalize their admission. Application for NOC may be sent to: "The Deputy Secretary, Government of India, Ministry of Human Resource Development, (Department of Secondary Education and Higher Education), Loknayak Bhavan, Amritha Shergil Road, NEW DELHI".

This condition does not, however, apply to the International Students sponsored by ICCR, Ministry of External Affairs, Government of India, since all these students will be issued 'Research Visa' at the time of their departure to India.

Decision on Admission

As soon as the processing of the applications is completed, candidates will be notified of their admission status and if they are found eligible then a 'Provisional Admission Letter' will be issued from the University for the purpose of obtaining 'Student Visa,' that must be endorsed to JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD only. However, in case of foreign students residing in India and taking EAMCET, PG Entrance Test or any other entrance tests conducted for the purpose, their admission is subject to their qualifying in the test and they will be informed of their admission after the Entrance results are announced.

Certificate Course in English for Foreign Students

Foreign students, who wish to improve their proficiency in English, can enroll in the Certificate Course in English offered by the DUFR of JNTUH. Hyderabad City with History

Founded by Quli Qutub Shah in 1591, Hyderabad City is fast growing into a modern center of information Technology and is gaining international importance in computational and networking facilities. It is the 5th largest metropolis in India. It is a city with a rich tradition. It is known for architectural monuments-historic and modern-including the celebrated Charminar and the famous Golconda Fort. Its culture heritage is a unique blend of the oriental and the occidental and was earlier known for its own leisurely life style. Hyderabad is well known for its cuisine which is a gourmet's delight.

During the last decade, the Hyderabad City has grown into a technological, IT, Pharmaceutical, and Biotechnological hub. Situated at an altitude of 1722 ft, Hyderabad City has a salubrious climate with low humidity during a large part of the year. Except in summer (April and May), the temperature varies between high twenties and thirty degree centigrade most of the year. Hyderabad is located in the south central part of India. The city is well connected by road, rail and air with all the other principal cities of the country. Hyderabad City is a meeting point of various cultures and you will find yourself in a truly international learning environment. Life outside the campus is exciting with City offering many local attractions. Escape to the country side is also easy.
